

Vocation Day at St. Lawrence of Brindisi

On February 20, the community of St. Lawrence held its monthly gathering to promote vocations. Led by youth group and supported by all the ministries the day was full of blessings. The vocations display was eye-catching and included wonderful displays of our past saints that paved the way to our Franciscan heritage. The focus of the day was to enlighten parishioners on the many wonderful opportunities there are in vocations. Throughout the day, members from the community stopped by the vocations booth before and after mass to learn more about becoming a Franciscan Capuchin Friar. Prayer was also the focus of the day and many people went home with prayer cards and information brochures. May God continue to guide and enlighten those individuals who have heard the calling and may the Holy Spirit enable our community to unite in prayer for vocations. AMEN.

Fr. Jesus Vela, OFM Cap.
